## Video

Today we light the first candle of Advent the candle of Hope. On our journey to Christmas, we once more remember that despite Joseph's fears he discovered hope comes from not only listening to God but following His direction. May we too listen to our Savior in these difficult days and know Hope through Bethlehem's baby.

**Together: May God, the source of hope give us the hope we need for the coming days and help us be bringers of hope to the hungry, the hurting, the grieving and those feeling lost.**

*O Come, O Come, Emmanuel*
