CHARGE

Go now in silence. Go now in peace you are His disciples. Go now into the darkness a world of suffering and testify that you know the morning is coming. Proclaim the fact that we do not follow a God who is above suffering. No! The light that is Christ can never be extinguished for He is the One who enters into the depths of humanity, into the darkness of the tomb, in order to save us from the degradation of sin. So tonight, as you leave this place do not live in fear, but in joy. Take heart! This is the heart of the matter out of the darkness He will arise.

God now in peace. Go now in silence as we wait for Easter morning. Amen.
